Born of the earth, tamed by man... stone, wood, and sand were forged together to create the cathedrals of the American frontier. The Elk Lodge is dedicated to the frontier spirit, that even today, continues to define our uniquely American culture.

The Elk Lodge features Boston ridge vents, corbeled log brackets, tapered stone columns, and a stone watertable.

Inside, the Elk Lodge features 3 bedrooms, 3-1/2 baths, and open Dining/ Kitchen/ Great Room for spacious entertaining. A main level Master Suite, Home Office, and a three car Garage complete this ultimate rustic home.
