3 Br, 3Ba

Fiddle is the English name for violin. During the 1800's, fiddles were a staple in many farmhouses across America.

The Fiddle III Farmhouse by MossCreek is a reimagined version of the farmhouses of the 1800's. Minimalist modern elements combine nicely with a historic farmhouse massing.

The main level features an open living plan with large windows in the great room, and a bedroom with a beamed ceiling. On the upper level the Fiddle III features two pleasant master suites with private baths.

At home in any natural setting, the Fiddle III is an ideal home for enjoying full time living or weekend getaways.
