The Puyallup flows from the slopes of Mount Rainier and enters Puget Sound in a broad delta at the head of a bay. A wonderland of dense forests, dazzling wild flowers, tremendous snowfields, and rugged glaciers can all be experienced or viewed from the banks of the Puyallup.

In this same wilderness spirit, Puyallup Lodge by MossCreek features 3 bedrooms, 2 1/2 baths, and a master on the main level. A large story and a half vaulted Great Room with exposed log trusses and an open Kitchen / Dining Room creates a dramatic interior. Large tapered stone piers complete the feel of the Pacific Northwest lodge.
